## **OBJECTIVE:**

Reliable and motivated individual with a strong work ethic and quick learning ability. Seeking employment opportunities to contribute effectively to a team's success, utilizing adaptability, problem-solving skills, and dedication in a diverse work environment.

## **SKILLS:**

- Adaptable and quick learner, proficient in diverse technologies and processes.
- Strong problem-solving and analytical skills for data-driven decision-making.
- Excellent communication and customer service abilities.
- Collaborative team player committed to continuous improvement and innovation.
- Technical Skills: C++, C#, Unreal Engine 5 (UE5), Unity, SDL2.

## **EDUCATION:**

### **Game Programmer, Diploma, George Brown College, Toronto, Ontario, January 2022 – Present**

- Collaborative game development using SDL2, UE5, and Unity.
- Multidisciplinary approach with postgraduate students from diverse Game Industry areas.

### **Bachelor of Science in Nutrition, Universidad Autonoma de Aguascalientes, Aguascalientes, Mexico, August 2005 – June 2010**

- Analyzed real and hypothetical case studies to create personalized nutrition plans.
- Conducted thorough research for evidence-based and comprehensive nutrition plans.
- Strong problem-solving skills, adapting plans to meet individual patient needs.
- Hands-on experience implementing nutrition plans in a public clinic.

## **PROFESSIONAL EXPERIENCE:**

### **Line Cook, Gus Tacos, Toronto, Canada, July 2023 – Present**

- Mastered multitasking in a fast-paced kitchen, showcasing adaptability and efficient time management.
- Prioritized meticulous attention to detail in maintaining high hygiene standards, ensuring precision in execution.
- Thrived in a collaborative culinary team, fostering effective communication and teamwork.

### **General Cleaner, Omega Superior Maintenance, Toronto, Canada, June 2021 – November 2021**

- Maintained cleanliness of recreational outdoor spaces and high-traffic areas.
- Executed general cleaning duties, including hallways, meeting rooms, bathrooms, and gym.
- Proactively followed COVID-19 sanitation protocols.

### **Post-Construction Cleaning, Sweet Cleaning, Toronto, Canada, January 2021 – May 2021**

- Ensured cleanliness of finished main floor and ongoing construction areas.

- Collaborated within a team to clean newly finished apartments, meeting high standards.

**Personal Trainer and Functional Capacity Evaluator, Sport City fitness center, Monterrey, Mexico, April 2011 – November 2014**

- Demonstrated exceptional multitasking and time management skills.
- Utilized strong analytical skills to assess fitness levels and match suitable trainers.
- Designed effective, customized training programs based on individual goals.
- Provided outstanding customer service and collaborated with a diverse team.

**VOLUNTEER EXPERIENCE:**

**Social Events Helper, Latino Group Hola, Summers 2018, 2019, and 2022 (Toronto Pride)**

- Assisted in coordinating logistics for the group's parade.
- Contributed to creating artistic decorations for the event.

**LANGUAGES:** English (Fluent), Spanish (Native)
